Auctores is a publisher of open access, international, academic journals. We rely on active researchers, highly qualified in their field to provide review reports and support the editorial process. Editors are eventually responsible for the quality of their journal's content. Auctores believes that editorial board member acts as a heart of the journal thus maintaining the standards and drive the journal to success.

A handwritten signature in black ink, appearing to read "Shaltout", is enclosed in a white rectangular box.
