

# Curriculum Vitae

## \*PERSONAL DATA:

- Name: Ahmed Abd Elhafez Ahmed Tantawy
- Birth Date: 4/1/1965
- Place of Birth: Benha, Kaluobia, EGYPT.
- Nationality: Egyptian.
- Gender: Male.
- Marital Status: Married.
- Contact Address: College of Applied Medical Science, Al Jouf university, Saudi Arabia .
- Phone Number: 0594847171
- E-mail: aatantawi@ju.edu.sa  
ahmadtantawy2007@yahoo.com
- Web site : <http://faculty.ju.edu.sa/CoAMS/atantawi/Pages/default.aspx>

## \*SCIENTIFIC QUALIFICATIONS:

Institution	Degree obtained	Date
Faculty of Veterinary Medicine, Benha University, EGYPT.	Degree of Doctor of Philosophy Veterinary Medical Sciences , Pathology	1996
	Master degree of Veterinary Science, Pathology	1992
Faculty of Veterinary Medicine, Benha University, EGYPT.	Bachelor of Veterinary Science (B.V.Sc.) with cumulative grade " <i>Very Good</i> ".	1987

## \*CHRONOLOGICAL POSITIONS:

Institution	Position	Date
Faculty of Veterinary Medicine, Benha University, EGYPT.	<i>Professor of Pathology</i>	2006
	<i>Assistant Professor of Pathology</i>	2001
	<i>Lecturer of Pathology</i>	1996
	<i>Assistant lecturer of Pathology.</i>	1992
	<i>Demonstrator of Pathology.</i>	1987

## \*INTERESTS:

Scientific Interests:

- Histopathology
- Oncology
- Cytopathology
- Pathophysiology

**Non-academic Interests:**

- Computer.
- Quality control and accreditation.

**\*SKILLS:**

**Computer skills: (ICDL)**

- Basic Comprehensive Technology Information.
- Ms. Windows, Word, Excel, Power point, Access, and Internet.
- Graphics (Photoshop)
- Educational Software

**Language Skills:**

Language	Reading	Speaking	Writing
Arabic	Excellent	Excellent	Excellent
English	Very Good	Good	Very Good

**\*TEACHING EXPERIENCE:**

**In Saudi Arabia**

-Teaching of theoretical and practical courses of General Pathology ( CLS 325) for students at Medical Laboratory Science department, College of Applied Medical Science, Al-Jouf University, Saudi Arabia (since January 2010 till now).

-Teaching of theoretical and practical courses of Pathophysiology (CLS 421 ) for students at Medical Laboratory Science department, College of Applied Medical Science, Al-Jouf University, Saudi Arabia (since January 2010 till now).

-Teaching of theoretical and practical courses of Cytopathology (CLS 422) for students at Medical Laboratory Science department, College of Applied Medical Science, Al-Jouf University, Saudi Arabia (since January 2010 till 2012).

-Teaching of theoretical and practical courses of Pathophysiology (CLSE 323 ) for students at Physical Therapy and Rehabilitation department, College of Applied Medical Science, Al-Jouf University, Saudi Arabia (since January 2010 till now).

-Teaching of theoretical and practical courses of Pathophysiology (NUR 323 ) for students at Nursing department, College of Applied Medical Science, Al-Jouf University, Saudi Arabia (since January 2010 till 2012).

### **In Egypt**

- Teaching of theoretical courses of Veterinary Pathology for third and fourth year students in Faculty of Veterinary Medicine, Benha University (since 1996 till January 2010).
- Teaching of practical courses of Veterinary Pathology for third and fourth year students in Faculty of Veterinary Medicine, Benha University (since 1987 till January 2010).
- Summer training for sophomore, juniors and seniors in the same Faculty (since 1987 till January 2010).

### **\* Attending Conferences and Workshops:**

#### **In Saudi Arabia**

- The 2<sup>nd</sup> Scientific Conference for higher education male and female students in Saudi Arabia, Jeddah , 28-31March, 2011.
- Strategic planning workshop, British Council in association with Al-Jouf university, 5-6 March, 2011
- Academic Advising workshop, Al-Jouf University, 17 March, 2010
- Ninth Scientific Forum for students in the Faculty of Applied Medical Sciences 19-20 February , 2013

#### **In Egypt**

- The 1st Scientific Conference, Faculty of Veterinary Medicine, Benha University, Egypt, January, 2005.
- The 4th International Scientific Conference, Faculty of Veterinary Medicine, Mansoura University, Egypt, April 2005.
- The 2nd Scientific Conference, Faculty of Veterinary Medicine, Benha University, Egypt, January, 2007.
- The 3rd Scientific Conference, Faculty of Veterinary Medicine, Benha University, Egypt , January, 2009.
- All Conference of Egyptian Society of Pathology and clinical pathology, 2001.

### **\* Other activities related to the educational process:**

#### **In Saudi Arabia**

- Coordinator of college for Academic Affairs (2011)
- The supervisor of the teaching rooms ( 2010-2011)
- Coordinator of the Quality and Academic Accreditation (2010-2012)

- Team member's self-evaluation of the College and University (2010-2011)
- Coordinator of Student Activities and Community Service Committee ( 2013- )
- Coordinator of Media committee and update data for Official site for college on internet ( 2013- )
- Member of the Quality and Academic Accreditation committee (2013- )

### **In Egypt**

- Chairman of the Control Division of the Fifth undergraduate students at the Faculty of Veterinary Medicine Benha University
- Participation in the preparation of both theoretical and practical book on Pathology
- Participating in the preparation of scientific conferences for college as well as dissemination of research during these conferences.
- Supervision of many M.V.Sc and Ph.D. Theses, Department of Pathology, Faculty of Veterinary Medicine Benha University.
- Discuss some of the Master's and Ph.D degrees within the College (Department of Pathology - Department of Clinical Pathology) as well as discuss some of the Masters in Faculty of Veterinary Medicine Alexandria University and Faculty of Veterinary Medicine - Assiut University.

### **Other activities related to technology education:**

- Coordinator of Club Technology Faculty of Veterinary Medicine - Benha University
- Participating in training Faculty members in the use of computer and its applications through ICTP project, Benha University.
- Designate databases For Faculty members and students, Faculty of Veterinary Medicine -Benha University

### **Other activities in the field of Quality Management Systems:**

- Founding member of the project to establish an internal system of the quality of the Faculty of Veterinary Medicine – Benha University
- Member of the Management team in CIQAP project, Faculty of Veterinary Medicine - benha University
- Director of the unit of Quality Assurance in Food Quality Control Program, Faculty of Veterinary Medicine Benha University
- Participating in the team preparing the report on The Evaluation Of The Impact Of Development In The Educational Process At Benha University.

### **\* List of publication :**

1. **Nabila M. Abdel Alim , ElShawarby R.M and Tantawy A.A. (1997):** Some toxicological and pathological studies on the effect of gibberellic acid in albino rats Alex. J. Vet. Sci., Vol. 13, No 6, 685-696
2. **Abou Salem M. E.; Mona A. Ashoub and Tantawy A.A. (1998):** Environmental pollution in some localities in Kaluobia. 4th Vet. Med., Zag. Congress (26-28 August), 561-676
3. **S.A. Moustafa ; A. I. El Mashad and A. A. Tantawy (1998):** Pathological studies on chronic aflatoxicosis in ducks. Zag. Vet. J., Vol. 26 , No 2 , 116-126
4. **S.A. Moustafa ; A. I. El Mashad and A. A. Tantawy (1998):** Pathological studies on enrofloxacin residues in broiler's chickens. Egypt. J. Comp. Path & Path., Vol. 11 , No 1 , 57-71
5. **Abou Salem M. E.; Hamoda F K and Tantawy A.A. (1998):** A field study on mycotoxicosis in horses. Zag. Vet. J., Vol. 27, No 4, 76- 91
6. **Tantawy A. A. (1999):** Pathological study on experimental aspergillomycosis in rabbits. Benha Vet. Med. J., Vol. 10, No 2, 31-41
7. **A Abou El Ella A, G and Tantawy A A (2000):** External ear amputation for treatment of some unusual surgical conditions in buffaloes. Minufiya Vet. J., Vol.1, No 1
8. **A Abou El Ella;, A.G , Elakraa A M and Tantawy A A (2000):** Surgical interference and histopathological diagnosis of some swellings of the head region in donkeys. Zag. Vet. J., Vol.28, No 1, 260-270
9. **Amany A. Abbass , Lubna M. Elakabawy and A. A. Tantawy (2001) :**Pathological and parasitological investigations of eels (*Anguilla anguilla* ) naturally infested with *Anguillicola crassus* and *Pseudoargasilus zacconi* in Egypt. Vet. Med. J. , Giza, Vol. 49 , No 2 , 277-289.
10. **Hamoda F K , Shahein M A , Tantawy A A and Ahmed M H ( 2002)** Clinical. Virological and pathological investigation on buffaloes papillomatosis in Kaluobia governorate ( Egypt). Zag. Vet. J., Vol. 30 , No 3 , 63- 73
11. **Shawky A. Moustafa , Ahmed A Tantawy and Mona F Ibrahim (2003):** Pathological studies on outbreak of paramyxovirus infection in pigeons at kaluobia province. Benha Vet. Med. J., 14 (2), Dec, 103-116
12. **Shawky A. Moustafa and Ahmed A Tantawy (2003):** Histopathological diagnosis of some neuro-endocrine tumors of adrenal glands in dogs. Alex. J. Vet. Sci., Vol.19, No 1, 167-184
13. **Shawky A. Moustafa and Ahmed A Tantawy (2003):** Histopathological diagnosis of some neuro-endocrine tumors of adrenal glands in dogs. Alex. J. Vet. Sci., Vol.19, No 1, 167-184
14. **Shawky A. Moustafa, Ahmed A Tantawy and Mona F Ibrahim (2004):** An abattoir survey of female genital disorders of camels (*Camelus dromedaries*) in Kalyoubia , Egypt. 1st Sci. Conf. Fac. Vet. Med., Mostohor, 162-187
15. **Elakabawy L M., Zayan K A , A. A. Tantawy and Omar R E M (2004):** Anticoccidial efficacy of propolis and toltrazuril against *Eimeria stiedai* in New Zealand white rabbits. Zag. Vet. J., Vol. 32, No 1, 129- 145
16. **Ahmed A Elkame and Ahmed A Tantawy (2005):** Myxobolus infestation in ovaries of sharptooth catfish ,*Clarias gariepinus*. Assuit Vet. Med. J., 51 (107), 54-66

17. **Saad A.E , Hammad A.M. and Tantawy A. A. (2005):** Studies on fumonisin B1 in rabbits. 4th Int. Sci. Conf., Mansura, 231-250
18. **Sanaa S Awad and A. A. Tantawy (2005):** Prevalence of avian leucosis virus subgroup J (ALV-J) in broiler breeder chickens in Dakahlia and Domieta provinces. 4th Int. Sci. Conf., Mansura, 957-971
19. **Abbass A. Amany, Lashein G H. and Tantawy A. A. (2006) :** The prevailing endoparasitic diseases of catfish “ *Clarias griepinus*” with special reference to the associated pathological changes. Zag. Vet. J., Vol. 34 , No 1 , 120- 139
20. **A.A. Nagi ; M S Gab Allah , A. I. El Mashad and A. A. Tantawy ( 2006):** Pathological studies on some parasitic infestations of brain in sheep. Benha Vet. Med. J., 17 (2), 1- 16
21. **Elakraa A. M. and A.A. Tantawy (2007):** Studies on cutaneous tumors with special reference to their surgical interference in equine. Benha Vet. Med. J., 18 (1), 189- 204
22. **A.A. Nagi ; M S Gab Allah , A. I. El Mashad and A. A. Tantawy (2009):** Pathological observations on uterine and mammary gland lesions due to *Corynebacterium* infection in slaughtered ewes. 3rd Int. Sci. Conf., Fac. Vet. Med., Moshtohor
23. **I H Osman and A A Tantawy (2013):** Antioxidant activity and protective effects of commercial propolis on gentamicin induced nephrotoxicity in rabbits- In vitro study. Accepted in Turkish Journal of Biochemistry
24. **A A Tantawy (2013):** Histopathological alterations induced after oral administration of high-dose cyclophosphamides in rabbit . Accepted in International Journal of Applied and Basic Medical Research
